

Prescription Drug Symposium
Framing the Issue of the Prescription Drug Abuse Crisis

Hosted by the Office of the Indiana Attorney General in coordination with the
Family & Social Services Administration, Division of Mental Health & Addiction
Indiana Government Center South; Auditorium
December 10, 2010

Program Objectives:

At the end of this program participants should be able to:

- Identify prescription drug abuse and addiction issues from an epidemiology and law enforcement perspective.
- Recognize and identify signs and symptoms of drug abuse.
- Develop a working knowledge of ways to work collaboratively with others to minimize drug abuse.
- Learn to utilize the Indiana Scheduled Prescription Electronic Collection & Tracking (INSPECT) Program.

CME Statements and Disclosures:

This Prescription Drug Symposium has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Indiana State Medical Association (ISMA) and the Indiana Attorney General's Office.

The Indiana State Medical Association designates this educational activity for a maximum of 2.5 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by the Indiana State Medical Association must demonstrate balance, independence, objectivity and scientific rigor. All faculty, authors, editors, and planning committee members participating in an ISMA-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.
